

Street Smart Youth Project Inc. Summer Program

What is the Age Requirement for registration? 12- 16 years of age.

What are the Costs? Street Smart is a grassroots youth development non- profit, therefore the costs of programming are free of charge to youth who meet the income requirement (**current TANF, Medicaid, Section 8, and/or food stamp documentation is required**). There is a \$20 fee for snacks for the summer.

What are the dates, location and hours for summer programming? The summer program will run for six weeks from June 13, 2016- July 22, 2016 from 1- 6pm. *Youth are allowed to 'Drop-In' for all or some of the activities each day although attending groups is a mandatory prerequisite for active enrollment and field trip participation.* **Site:** 612 Magnolia Street Atlanta GA 30314.

What is the program design? Daily activities (Dance, Swimming, Aerobics, Yoga, and Basketball) and cultural enrichment (Writing, Filmmaking, and Music Production and talent shows).

Street Smart Youth Project will also offer weekly groups:

- 1) **Focus On Youth (12- 13)**- This weekly group will be offered for male and female youth. It is an evidenced- based curriculum designed to provide prevention and education around issues related to teen pregnancy, HIV and STD and overall risky behaviors.
- 2) **Becoming a Responsible Teen (14- 16)**- This weekly group will be offered for male and female youth. It is an evidenced- based curriculum designed to provide prevention and education around issues related to teen pregnancy, HIV and STD and overall risky behaviors.
- 3) **Girls Mentoring**- This weekly group will be offered to female youth. This group focuses on issues related to self- esteem, body image, leadership skills and the importance of developing healthy eating habits and engaging in healthy relationships.
- 4) **Boys Mentoring**- This weekly group will be offered to male youth. This group focuses on issues related to peer pressure, responsibility, self- esteem, and building leadership skills, while developing healthy eating and physical health practices.
